

Extra Fresh 2000-S

Product Description

A comprehensive yet meticulously balanced blend of the highest performing natural enzymes currently available for baking applications. The unique enzymes activities not only hydrolyze bonds, they also enhance and build beneficial bonds. **Extra Fresh 2000-S** is standardized to consistent activity with unbleached flour for ease of use in a bakery environment.

In this case designed utilizing carefully selected starch splitting enzymes containing secondary activities which influence the structure of the dough, permitting prolonged fresh keeping or a longer shelf life. They modify starch and other constituents in a way that retrogradation is reduced.
